The meeting was held at the State Theater in downtown Gainesville. Adam Spore opened with prayer. Bekki handed out the board agenda, the director's report, minutes from March, and the P & L from the concert and the Murder 76240 fundraisers.

Bekki always tries to pay for the event through team income and this year the cost of the event was \$5,463.26 and the team income was \$6,160.00. With the concert and murder fundraisers, we have made \$25,000 over what we made last year.

VISTO will be closed Friday and Monday for Good Friday and Holy Monday. Bekki encouraged the board to drive by and see the garden that has been put in at the facility. The plants were paid for with a grant from Home Depot. There are also new parking signs that were purchased through the same grant.

Adam Spore made a motion to move the audit to next year and Kathy Harris seconded the motion. It was approved unanimously.

The meeting adjourned and the board finished setting up the theater for the Murder 76240 fundraiser which will happen April 17, 2025.
